Overview

Villa Essence is a beautifully crafted four bedroom villa in the heart of Puglia. Located on the outskirts of Carovigno and with the stunning white town of Ostuni just minutes away, it is the perfect base for your next Italian adventure. Visit historical villages nearby, the Adriatic coast just a five minute drive away and the port towns of Polignano a Mare and Monopoli.

The villa boasts an elegant and understated sophistication, which is accentuated by its serene and simple design. The neutral colour palette of sand and white is complemented by bright windows that offer a stunning view of the landscaped flower beds and verdant exterior. The infinity pool provides a striking contrast to the vibrant white walls of the villa, while the interior showcases a more muted and modern aesthetic. The furnishings are stylised and understated, featuring warm wooden furniture and a natural, dusty colour palette in sand and velvety browns.

The villa is fully fenced and can be accessed through an automatic gate. The outdoor spaces are characterised by a beautiful infinity pool, as well as a large furnished veranda that is perfect for enjoying apéritifs or typical

Apulian dinners with loved ones. After a refreshing swim, guests can unwind with a good book on the veranda. The property is surrounded by a beautiful ancient olive grove.

Inside Villa Essence, the atmosphere is tranquil, with concrete floors, minimalist furnishings, and no-frills decor. The four double bedrooms all open outward to the garden and pool, while the contemporary eat-in kitchen and dining room open onto an outdoor dining area. Finally, the panoramic terrace provides a breathtaking view of the villa's large garden and the picturesque countryside of north Salento.
