Overview

Located in Kommeno, Villa Tranquil is a beautiful four bedroom villa that is perfect for your next family getaway. Nestled within the grounds of a medieval fortress which is bathed in a warm floodlit glow every evening, this is one of Corfu's most sought after addresses.

You are only a short 5 minute stroll from the beach, where you can rent boats and other water sports equipment. Restaurants are also just a ten minute walk away so there is no need to drive in the evenings.

The property has been lovingly cared for by its' British owners, who have used it as a second home for the last 14 years. It boasts a luxury well equipped kitchen and a light, airy open plan living room with a fireplace and Flat screen TV. Its' decoration of wrought iron furniture and soft leather sofas gives the feeling of a 'Florida home'.

Villa Tranquil has four good sized bedrooms, two with king size beds and two with twins. The master bedroom has a large verandah with beautiful views of the bay of Gouvia below. Both double rooms have an ensuite bathroom and there is a family shower room as well as a separate guest WC.

Spend your days relaxing on sun loungers by the large horizon swimming pool. A hammock has been set up by the pool area to give you that peaceful holiday feeling. Enjoy al-fresco dining on the large patio and BBQ area that extends out from the living room. When the sun is too hot, make use of the extendable canopy to relax in the shade.
