Overview

Villa Itzaga is a five bedroom villa tucked away in a peaceful coastal enclave, and is a charming retreat designed for travellers seeking comfort, space, and authentic island living. Ideal for families or groups of friends, it offers a warm and welcoming atmosphere where relaxation comes naturally.

The generous living area is one of the villa's standout features: an open, light-filled space which is perfect for gathering, dining, or simply unwinding. Natural materials, especially wood, are central to the design. Spread across three floors, three of the five comfortable bedrooms have ensuite bathrooms and views out over the gardens or the ocean beyond, the other two bedrooms share a family bathroom. Outdoors, a cosy garden and private pool provide the perfect setting for leisurely mornings, sun-drenched afternoons, or starlit dinners.

For families travelling with children aged 3 to 12, an in-villa children's animator can be arranged (upon request and subject to availability), offering engaging, adventure-filled, and educational activities tailored to the curious minds of our little explorers.

Thanks to privileged partnerships with nearby hotels such as Constance hotels, Long Beach and One&Only Le Saint Géran, guests staying at Villa Itzaga can enjoy the best of both worlds: the privacy of a villa combined with exclusive access to hotel restaurants, golf courses, bars, and spas (subject to availability).
