Overview

Casa Nova Luxe is an amazing six bedroom villa which enjoys some of the best views on the island of Ibiza that have to be seen to be believed!

Perched on a cliff overlooking the beach of Cala Moli, Can Icarus is built over two levels, offering a 180° view of the sea and Illetas, as well as direct access to a small cove via rocky steps carved into the cliff side.

The villa architecture is modern and open plan allowing the bedrooms and terraces to take full advantage of the splendid panoramic views. The sunsets at this villa are truly memorable and the villa has an abundance of terraces and courtyards so that the vistas can be enjoyed from all angles.

Inside, raw materials and warm colours punctuate oriental and contemporary decor. The large living room extends out to a charming patio where the lapping of the fountain mingles with birdsong.
