

Villa Massa

Massa Lubrense is a township very close to Sorrento and it includes several small villages such as Sant'Agata sui Due Golfi, Marina del Cantone, Nerano, and Termini. It features a long panoramic coast...

Overview

Villa Massa is a beautiful seven bedroom villa set away from the main tourist towns on a peaceful street, but is only a few minutes drive to the village of Sant'Agata sui due Golfi and only 20 minutes from Sorrento. The Bay of Nerano is just a 10-min drive away. For those wishing to visit Capri, you can take a ferry from Sorrento or the concierge can organise private boat hire. This really is the perfect base to explore the Amalfi Coast. It is also one of the few properties in the area that can accommodate guests with limited mobility.

The villa is set over three levels with all the social spaces located on the ground floor. Entering the villa you will find a bright, light living room with a fireplace and rustic accessories, harking back to the farm it once was. Step out onto the patio to admire the spectacular views of the gardens and ocean. A separate dining room leads on to the fully equipped kitchen where you can cook delicious local produce for your friends and family.

Two bedrooms are also located on the ground floor, one Queen and one Twin. Four bedrooms are located on the first floor, a family room that share a bathroom, and two ensuite rooms. The final bedroom is located on the second floor which is also home to a living room and kitchenette, as well as a furnished private terrace. All the bedrooms are air conditioned and have TVs,

Spend your days at Villa Massa relaxing under the pergola on comfortable outdoor furniture, or by the large swimming pool. The outdoor area is the perfect place to enjoy al fresco dining and drinks under the stars.
