

# Casa Patron

---

## Overview

Casa Patron is an intriguing split level home perfect for large families and large parties that want a central location with private amenities and is located just above Colina in Los Suenos Resort on the west coast of Costa Rica.

Casa Patron features classical colonial architecture and boasts 5900 square feet of living space and covered terraces. Outside is impressive and a great place to spend days relaxing around the free-form pool or evenings enjoying a cocktail or alfresco dining. For further entertainment, Casa Patron features a large games room with pool table.

Casa Patron has six bedrooms including two master suites. Each of these master suites feature king size bed and ensuite bathroom. One opens up directly to the pool area and the other opens up to a balcony. There are a further two bedrooms with double beds and ensuite bathrooms. The other two bedrooms with double and twin beds share access to a bathroom.

As guests of Casa Patron, you will benefit from the privacy of a private villa yet have access to the resort facilities including -

- Los Suenos Golf Course (at additional cost, advanced notice may be required)
- Los Suenos Beach Club
- Los Suenos Marina
- On-site Restaurants and Bars
- Beach club
- Medical Clinic
- Large Pool by the beach
- Volley ball Court
- Small Soccer Court
- Playground
- Foosball and ping pong tables
- Yoga Area
- Jacuzzi
- Swim up bar
