Overview

Villa Windu Sari is a newly renovated, five-bedroom villa located in a quiet cul-de-sac in Petitenget, less than a 1km walk to Legian Beach and Seminyak's world-class restaurants and bars.

Two timber-clad pavilions arranged around a sparkling 14-metre swimming pool are home to open-sided living and dining areas, a modern kitchen, five spacious ensuite bedrooms and a gym. All five bedrooms are located in a two story sleeping pavilion at one end of the pool. Four guest rooms feature king beds (or twins that convert to king), 32 inch plasma TVs, ensuite bathrooms and access to either a shared balcony or patio. The fifth bedroom has a queen bed, ensuite bathroom and converts to a media room with a 50 inch plasma TV.

It comes fully staffed with butlers who will serve spritzers and ice-cold towels by the pool or shake up sundown cocktails at the sit-up bar. The chef prepares gourmet meals (from a reasonably priced menu) in the state-of-the-art kitchen, served at the enormous teakwood dining table that can seat up to 12.

Windu Villas is an exclusive private villa enclave, just off fashionable Jalan Petitenget in the heart of Seminyak. Eleven double bedroom suites are available when the 5-bedroom Villa Windu Sari and 6-bedroom [Villa Windu Asri](#) are booked together.
