Leamington Beach Cottage

Welcome to Leamington Beach Cottage, an intimate retreat, well suited for couples and honeymooners seeking an enchanting escape, unlike any other offered on the West Coast of Barbados, & near historic Speightstown.

Overview

Welcome to Leamington Beach Cottage, an intimate retreat, well suited for couples and honeymooners seeking an enchanting escape, unlike any other offered on the West Coast of Barbados, & near historic Speightstown.

This beachfront gem is more than just a vacation villa, it is a romantic escape that embodies the spirit of a tropical paradise getaway in the privacy and security of Leamington Estate.

This exclusive getaway is perfect for guests seeking a tranquil and secluded oasis. A private one-bedroom villa with all the comforts of a larger home with a kitchen, living and dining room, private terrace and private pool.

Leamington Beach Cottage is not just a vacation villa; it is an invitation to escape the ordinary.

The cottage comes fully equipped together with one housekeeper providing a personalized service; preparing 3 delicious meals daily, and acting as a butler and cook - meeting & anticipating all guests' needs. Reviews about the magnificent care shown to guests, abound.

A beachfront escape going beyond the expected, providing an intimate backdrop for a truly unforgettable vacation.

There is a reef in front of Leamington Beach Cottage which is ideal for swimming and snorkeling, and a sandy beach is located a few yards north or south of the property, together with a garden where, if you can tear yourself away from the ocean, you can just flop down on a comfy lounger with a good book, observing the occasional sway of the palm trees.

Leamington Beach Cottage may be rented separately or together with the main villa, Leamington Pavilion, which is located next door and includes 3 en suite bedrooms, and a large swimming pool set within impeccable tropical grounds.

For those wishing to explore, quaint Speightstown offers diverse dining, coffee shops, nearby bars for Caribbean vibes, and more sandy beaches for relaxation and water activities, together with coastal views.
