Overview

No. 10 Claridges is a stylish three-bedroom townhouse within the boutique Claridges development on Barbados' sought-after West Coast, just a short walk from the white sands of Gibbs Beach. Designed by local architect Michael Gomes, the villa combines contemporary interiors with generous outdoor spaces and a relaxed setting in one of the island's most desirable areas.

The open-plan living and dining area is complemented by a fully equipped kitchen and a separate den/office, while all three bedrooms are en suite and feature king-sized beds, walk-through wardrobes and private balconies. Air conditioning and ceiling fans provide comfort throughout.

Outside, a covered terrace provides a comfortable space for relaxing and dining al fresco, opening onto a private enclosed garden with daybeds. Guests also have use of Claridges' large communal swimming pool, complete with waterfalls, sun loungers and a central gazebo.

The development has just 10 villas and is conveniently positioned within easy reach of Gibbs Beach, where beach chairs and umbrellas can be rented. With Holetown, restaurants, shopping and other West Coast attractions also close by, No. 10 Claridges is a well-located choice for a relaxed Barbados holiday.

The villa is fully staffed with housekeeping, gardening and pool services, as well as an on-call concierge and property manager. In-villa dining can also be arranged with a personal cook or private chef.
