Overview

The Catch is a one-of-a-kind beachfront villa set on four acres of lush tropical gardens with 600 feet of private Grace Bay frontage. Recently refurbished to the highest standard and available for exclusive stays for the first time in decades, it's a rare Caribbean retreat that feels both stylish and genuinely welcoming.

The main house features four spacious bedrooms, blending modern comforts with natural materials, hardwood floors, and calming interiors that give it a relaxed Balinese feel. All four bedrooms feature a king sized bed and ensuite bathroom. There's also a fifth ensuite bedroom tucked away in a dockside guest cottage, complete with a queen bed and bunk beds making it perfect for children or extra guests.

Life at The Catch is designed to flow effortlessly between indoors and outdoors. The wraparound veranda keeps the interiors cool with natural breezes, while the infinity pool provides a peaceful spot to soak up the views. Just steps away, winding garden paths lead through mature palms and tropical blooms to the villa's private stretch of beach.

For outdoor dining and entertaining, there's a large gazebo with a barbecue, grill, and bar, along with a rooftop deck perfectly placed for watching the sun set over the bay. Whether it's gathering for family meals, cocktails at dusk, or simply enjoying the peace and privacy of the gardens, The Catch offers a truly laid-back island escape with all the space you need to unwind.
