Villa Sentosa's impressive interiors will please the most discerning of clientele. Double heigh ceilings give the impression of even more space and the living and dining area open directly out to the covered terrace where there is the large swimming pool and beach. The exquisite the décor combined with the luxury furniture gives a serene ambience. The furniture and fitting have been handmade and carefully selected for the villa.

Other indoor features include a media room, games room with pool table and table tennis and a fully equipped gym. However, a lot of your time will no doubt be spend outdoors of Villa Sentosa.

There is a stunning covered terrace around the swimming pool, a dining gazebo and beach deck. The infinity pool even has sun beds in the shallow area so you can fully cool off from the Caribbean sun. Each side of the swimming pool are gazebos, one with an outdoor hot tub and the other with an alfresco dining area that can seat 24 guests. For cooler evenings, there is a fire pit.

As well as accommodating a large family or group of friends, Villa Sentosa can host a special celebration such as a wedding.
