

Villa Platinum

Villa Platinum is a beautiful boutique property in the heart of the historic town of Split. Designed as an upscale retreat, this villa boasts high-spec amenities and a focus on design. The interior is glitzy and glamorous, with a combination black and white colour scheme, and luxury furnishings.

Overview

Villa Platinum is a beautiful boutique property in the heart of the historic town of Split. Designed as an upscale retreat, this villa boasts high-spec amenities and a focus on design.

The interior is glitzy and glamorous, with a combination black and white colour scheme, and luxury furnishings. The main living space is an open-plan room, with a kitchen, dining area and plush lounge with TV. Additionally, you'll discover a chic games room complete with a pool table, and also a sauna booth for when you want some relaxation time.

Outside, Villa Platinum is surrounded by a compact landscaped garden, with plenty of upscale features including a barbecue and dining area, and luxury hammock and an illuminated swimming pool. Take a cooling dip, work on your tan on the terrace or head to the Jacuzzi tub for a relaxing soak.

Accommodation

The villa has three bedrooms, each equipped with a bathroom. The master suite and second bedroom both benefit from a double bed, while the third bedroom is a children's room with bunk beds for four young guests.
