

Casa Corona

Overview

Casa Corona is a five bedroom villa located in Cabo del Sol and offers 5,000 square feet of living space and has been tastefully decorated and features open-beam ceilings and natural stone throughout. The villa has impressive views over the nearby golf course.

The villa features an open plan kitchen, living and dining area, perfect for entertaining. There are large and comfortable sofas n the living area.The living room features a large and comfortable sectional couch, and the dining set is stately, sitting just under an iron candelabra. The gourmet kitchen is fully equipped with a centre island bar.

All of the five bedrooms include en-suite bathrooms, fans, televisions and DVD players and are air-conditioned.

Outside, guests can relax and enjoy the views or cool off in the swimming pool. During the evening, guests can enjoy al fresco dining and a BBQ.

Casa Corona is only a few minutes drive to downtown Cabo San Lucas, where there are an abundance of shops, restaurants and bars.
