Overview

Set in the hills above Sorrento, Villa Arlena enjoys panoramic views across the Bay of Naples towards Mount Vesuvius. Surrounded by a private Mediterranean garden, this five-bedroom villa offers a relaxed setting for families or groups of friends looking to explore the Sorrento Peninsula and Amalfi Coast. Arranged over two floors, the property has two separate living areas, each with its own fully equipped kitchen, giving larger groups the flexibility to spend time together while still enjoying their own space.

The ground floor features a bright, spacious living area with comfortable seating, a 65-inch smart TV and a dining space, with doors opening onto a panoramic balcony. The fully equipped kitchen provides everything needed to prepare meals at home, while two queen bedrooms, each with an en-suite shower room, complete this level. Upstairs, a second living room and dining area open onto a generous furnished terrace, creating another welcoming space to relax and enjoy the views. This floor has three further bedrooms, including a queen bedroom with direct terrace access and an en-suite bathroom with a bath and separate shower, another queen bedroom and a room with two sets of bunk beds, ideal for children. The latter two bedrooms share a bathroom. All bedrooms have air conditioning and smart TVs.

Outside, the villa's terraces and garden make the most of its elevated position. A covered patio on the ground floor provides a shaded spot for relaxing or dining outdoors, while the first-floor terrace is furnished for enjoying a morning coffee, an evening drink or the far-reaching views across the bay. A whirlpool offers an inviting place to unwind, and the private plunge pool, measuring approximately 5.5 by 4 metres, is set on a lower terrace reached by steps. Families will also appreciate the outdoor children's play area, while a vegetable garden adds to the

villa's Mediterranean character.

Villa Arlena is well placed for discovering the Sorrento Peninsula, with the nearby village of Sant'Agata sui Due Golfi just a short drive away. Sorrento is known for its lively atmosphere, traditional restaurants, independent shops and attractive streets, as well as its convenient hydrofoil connections to Capri. The colourful coastal town of Positano is approximately 30 minutes away by car, while Amalfi and Ravello offer further opportunities to explore the region's historic towns and spectacular scenery. For days by the sea, the beach establishments at Marina di Puolo and Marina della Lobra are around a 15-minute drive away.

With its panoramic views, flexible living spaces and inviting outdoor areas, Villa Arlena is an appealing choice for a relaxed Italian villa holiday, combining the privacy of a hillside setting with easy access to the coast and its many attractions.

Please note that access to the villa involves two sets of stairs down from the main road, and there are also steps between the property's different levels.
