

Harmon Estate

Harmon Estate is a majestic six bedroom villa located within the Los Suenos Resort on the west coast of Costa Rica. Harmon Estate was designed for families and groups of friends looking for a quiet, elegant home in a tranquil setting. Offering 5000 sq.

Overview

Harmon Estate is a majestic six bedroom villa located within the Los Suenos Resort on the west coast of Costa Rica. Harmon Estate was designed for families and groups of friends looking for a quiet, elegant home in a tranquil setting. Offering 5000 sq.ft of living space, this villa is designed with imported marble, granite and handcrafted tile and carved wood.

Four bedrooms are located in the main villa of Harmon Estate with a further two bedrooms in the guest houses. The impressive master bedroom of Harmon Estate occupies the entire top floor and features walk-in closet, office and Jacuzzi tub. There are two additional bedroom suites with ensuite bathrooms. A small quarter with full bed and private bathroom is also located in the main villa.

Two 800sq.ft guest houses are also located within the grounds, each featuring a bedroom with kitchen and living area.

As guests of Harmon Estate, you will benefit from the privacy of a private villa yet have access to the resort facilities including -

- Los Suenos Golf Course (at additional cost, advanced notice may be required)
- Los Suenos Beach Club
- Los Suenos Marina
- On-site Restaurants and Bars
- Beach club
- Medical Clinic
- Large Pool by the beach
- Volley ball Court
- Small Soccer Court
- Playground
- Foosball and ping pong tables
- Yoga Area
