### Overview

Immerse yourself in the authentic soul of Ibiza at Casa Luz del Mar. Surrounded by fragrant orange groves, this beautifully restored finca is a masterclass in Mediterranean living, offering a rare balance between absolute rural serenity and proximity to the island's most iconic shores. Just 800 meters from Cala Llonga beach, this welcoming home serves as a peaceful gateway to an area rich in natural beauty and vibrant island life.

The house features thick, whitewashed walls that provide natural climate control, keeping the interiors crisp and cool. The ground floor serves as the heart of the home, featuring a bright and sunny living room and a farmhouse kitchen with a window overlooking the 8x4m private pool, allowing for easy supervision of children while preparing meals.

Two bright twin bedrooms and a shared bathroom can be found on this level, while the upper floor is a dedicated sanctuary. Here, the master suite and a cozy lounge/workspace open onto a large terrace, offering panoramic views of the green hills and the original stone well that anchors the property's rustic charm.

Beyond the citrus-scented gardens, the location is truly exceptional. While Cala Llonga is famously lively and bustling in the height of summer, making it perfect for those looking a vibrant beach atmosphere and family convenience, a five-minute drive brings you to the stark, breathtaking contrast of Sol d'en Serra. Widely considered one of the most beautiful and rugged coves on the island, it is home to the world-renowned Amante beach club. Whether you are heading to Amante for a sophisticated lunch or a moonlit dinner, the location allows you to dip into luxury within minutes.

For those who want to be active on holiday, the surrounding landscape is a playground for the senses. The home is perfectly positioned for nature walks and coastal hiking trails that wind through pine-scented forests and lead to hidden cliffside viewpoints. Whether you are perfecting your swing at the nearby Roca Llista golf course, exploring the vibrant energy of Ibiza Town just 20 minutes away, or simply retreating to your private poolside barbecue under the stars, Casa Luz del Mar captures the very best of island life.
