If you're a fan of open-plan, then you will love the style of this villa. Perfectly laid out for entertaining, the extensive use of glass fills the villa with natural light.

Enter through a massive wooden front entrance and the jaw-dropping foyer is then revealed. The beautiful interiors include a stunning living room which has a slate-clad feature wall and the fully fitted, modern kitchen and dining area are light and bright due to the floor-to-ceiling doors and windows, which also provide great views of the swimming pool.
