Overview

Set above Elia Beach, Villa Bowie combines privacy, space, and modern Cycladic design. The property includes a main house plus five guest houses, comfortably accommodating up to 24 guests making it ideal for large families, retreats, or groups travelling together.

The exterior blends stonework with clean white volumes typical of Cycladic architecture, set against the natural Mykonian landscape. Two infinity pools form the centre of the outdoor living area, overlooking the bay and the Aegean. Multiple lounge zones and a shaded dining area make it easy to relax during the day or enjoy meals outdoors. The layout and scale also make the villa well-suited for hosting events and gatherings.

Inside, neutral tones, quality finishes, and a mix of contemporary materials create an elegant yet relaxed atmosphere. Marble floors, exposed beams, and modern furnishings add character, while upgraded appliances and amenities ensure a comfortable stay.

The villa is located 1.3 km from Elia Beach, close to the village of Ano Mera, and approximately 10 km from

Mykonos Town. With generous accommodation, thoughtful facilities, and wide sea views, it stands out as a strong option for those seeking space and privacy on the island.
