Overview

Set amidst the tranquil landscapes of Bali's Tabanan Regency, Villa Kailasha offers the perfect escape far removed from the island's bustling crowds. Set over 11,000 square metres, this large oceanfront retreat is surrounded by lush coconut groves on three sides and the ocean to the front.

From the moment you arrive, Villa Kailasha has the feeling of a private boutique resort, combining generous space with refined comfort. Its nine elegantly appointed bedrooms, set within separate pavilions for complete privacy, provide a relaxed and luxurious sanctuary surrounded by vibrant greenery and the soothing sounds of nature.

Accommodating up to 18 guests, the villa is ideal for family gatherings, yoga retreats, and intimate celebrations. The extensive lawns that have been meticulously landscaped and are dotted with flowering trees and swaying palms, frame a stunning 14-metre swimming pool with ocean views that stretch beyond the shimmering black sand of Kelating Beach.

The double-storey main pavilion is the social heart of the estate, with versatile spaces for both relaxation and entertaining. Guests can enjoy air-conditioned comfort on the upper level or unwind in the open-air lounge below. Meals, prepared by the villa's dedicated private chef, are served in the open-sided dining pavilion, its high timber roof giving a sense of grandeur to the beautiful natural surroundings.

Entertainment and leisure are thoughtfully catered for, with TVs in every bedroom and an air-conditioned multi-purpose room within the main pavilion. Kelating Beach is just a 3 minute stroll away, perfect for sunset walks or early morning exercise.
