

Villa Palo

Overview

Villa Palo is a beautiful three bedroom villa with panoramic views out over Funchal and the sea beyond. The villa is located in the gated Palheiro Village complex, part of the Palheiro Nature Estate. The area features a golf course, spa, 5* hotel and a large communal swimming pool. The capital Funchal is only a 15 minute drive away where you can explore plenty of local boutiques, restaurants and cafes.

Guest will enter the villa on the upper floor and are greeted by an open plan dining area and fully equipped kitchen. This leads on to a sunken lounge with an adjoining terrace where you can enjoy meals cooked on the gas bbq while admiring the beautiful views of the town and sea.

Two bedrooms are located on this level. The first has a super king bed and a private balcony with spectacular sea views. The second bedroom has a king bed with equally impressive views from its balcony. These bedrooms share a family bathroom. The third bedroom, the master, is located on the lower level and boasts a king bed, ensuite bathroom and access to the front terrace.

Spend your days at Villa Palo relaxing by the pool on the lower level. Plenty of sun beds are available as well as a service area where the laundry facilities are located, as well as a fridge to keep drinks cool during the day.

For those wanting to explore the local area the Palheiro Nature Estate is easily accessible using the remote control provided for the top barrier of Palheiro Village. Guests also benefit from discounted green fees at the golf
