Overview

Welcome to Sorrento 10, a newly built Barbados vacation rental for families, couples, and anyone in need of a proper reset. Tucked away in a quiet corner of Lower Carlton, St. James, this three-bedroom, three-bathroom villa blends clean lines, calm tones, and natural textures to create a relaxed, welcoming space that feels like a breath of fresh air.

Inside, the open-plan layout flows seamlessly from the living area to the kitchen, where a built-in bar invites slow mornings and casual sundowners. The space is designed to feel both easy and elevated, with tactile furnishings, warm lighting, and an atmosphere that encourages you to unplug and not miss it.

Each of the three bedrooms is en suite and thoughtfully laid out to balance comfort and privacy. Two bedrooms are upstairs, while the third is on the ground floor, ideal for guests who prefer to avoid stairs. The bedrooms include one king size bed, one queen bed, with the third offering flexibility as two twins that can be converted into

a king. Bathrooms are sleek and minimal, perfect for rinsing off after a beach day or a dip in your private plunge pool.

Outdoors, the villa invites you to slow down, stay awhile and take a dip to cool off in the plunge pool. When you're ready to explore, Holetown is just a 10-minute drive away, and Speightstown is even closer, as it is only 8 minutes away. From local restaurants and local beach bars to boutique shops and malls, everything you need is within easy reach.

Whether you're planning a Barbados honeymoon, a winter escape, or just a break that feels more than a weekend away, Sorrento 10 makes it easy to unwind.
