Overview

Located on the shores of Pererenan Beach, Sungai Tinggi Beach Villa is a beautifully designed, traditional Balinese home surrounded by lush tropical gardens and stunning ocean views. With its peaceful rural setting, just moments from Canggu, this six-bedroom retreat is the perfect choice for your next special get together.

The villa sits along a stretch of black-sand beach, bordered by a small lagoon where the river meets the sea. With more than 100 metres of beach frontage, guests enjoy uninterrupted views of one of Canggu's most iconic surf breaks. Gently sloping lawns lead to a stunning 18-metre infinity pool, which seems to merge with the ocean beyond. The gardens are filled with frangipanis, coconut palms, and vibrant greenery, and create a private tropical sanctuary. Nestled within this natural beauty is a dedicated events space, a picturesque coconut grove connected to the beach by a wooden walkway, making it the perfect setting for weddings and celebrations.

Inside, Sungai Tinggi Beach Villa reflects a deep love and respect for Bali's culture and craftsmanship. Local materials such as coral-limestone walls, timber floors, and thatched alang-alang roofs combine with an impressive collection of Indonesian art, textiles, and antiques, giving the home a warm and authentic character. The open-sided living and dining pavilion is the heart of the villa, offering a relaxed setting for shared meals and sunset gatherings, while private terraces and breezy balconies provide peaceful corners for reading or reflection.

The villa's six spacious bedrooms are spread across three separate buildings. The master suite is housed in its own pavilion and features a king bed, private patio, ensuite garden bathroom with outdoor shower, bath and dressing room, as well as an adjoining study. Three guest bedrooms are located in the two story main house, two on the ground floor and one on the first floor. Each feature king beds and ensuite bathrooms that have been individually designed. The final two bedrooms can be found in the teakwood guesthouse overlooking coconut groves. Each has a king bed and ensuite bathroom and share a kitchenette and dining area.

The dedicated team of staff, many from the surrounding village, bring genuine warmth and care to every stay. Their connection to the villa and community adds to its welcoming spirit, ensuring guests feel both at home and immersed in local hospitality. With six spacious bedrooms, an inviting pool, and a variety of indoor and outdoor spaces to unwind, Sungai Tinggi Beach Villa is perfect for families and groups of friends seeking a true Balinese escape, where the pace slows, the views inspire, and every moment feels in tune with the island's natural beauty.
