Sleek New Escape in Apes Hill with breathtaking Sea Views.

Welcome to your next Barbados luxury vacation rental, this four-bedroom, four-bathroom villa in the Apes Hill golf community is new, bold, and designed for easy living. From the moment you enter, the open-plan living space sets the tone: think clean lines, dramatic sculptural lighting, and a kitchen bar perfect for sunset cocktails (or mid-morning mimosas, we won't judge).

Just outside, the alfresco dining patio invites long, laughter-filled dinners with the fire pit glowing, an outdoor grill at the ready, and the infinity pool reflecting the view: the Caribbean Sea on one side, the rolling greens of the Apes Hill golf course on the other. The oversized chair gazebo is made for late afternoon lounging, while the jacuzzi makes a strong case for skipping your dinner reservation altogether.

Inside, black and white interiors are softened with tropical pops of colour, creating a polished look. Two of the

bedrooms feature king-size beds, while the other two are furnished with queen-size beds. Each room boasts a modern finish and unique color accents, giving every space its own personality for a dream vacation. Each room opens onto a private patio or terrace with a peaceful seating area, ideal for slow mornings or quiet evening chats. Two bedrooms are on the ground floor, and two upstairs, giving everyone their own corner to recharge. The upper level also features a secondary seating area and a private office if a little work needs to happen mid-holiday.

As part of your stay, you'll enjoy exclusive membership to Apes Hill Club, granting guests access to the club's world-class facilities. Enjoy the wellness centre, padel and tennis courts, golf, nature trails, dining options, and more.
