

Martangie

Overview

Martangie (formally Caprice) is a luxurious and elegant 4 bedroom family friendly private villa a few steps from the beach at Reeds Bay in St James on the west coast of Barbados.

Unwind in the spacious and comfortable indoor living area whilst enjoying the fresh air from the French doors that open to a covered terrace and deck area. Under the covered terrace there is an additional lounging area and a large coral stone table with seating for 8, making it the perfect spot for al fresco dining whilst enjoying the spectacular sunsets that the west coast of Barbados is famed for. Sun loungers are provided on the wooden deck area, and a secure beach gate leads out on to a quiet sandy beach where there is swimming and reefs for snorkelling. Take a dip in the plunge pool which also includes a lovely waterfall feature.

All bedrooms are air conditioned with ceiling fans and have en suite bathrooms. The main master suite and a second master suite are located upstairs and both have private patios with French doors that open up to gorgeous views of the Caribbean sea. Two further bedrooms are located downstairs with one featuring patio doors that open up to the pool deck.

Martangie is gated and fully enclosed with off-road parking.
