### Overview

Villa Senang is located in a prime spot in peaceful Batubelig yet just a few minutes from the throes of Seminyak's dining and shopping districts. The beach is also only a short stroll away and you can enjoy relaxing on the bean bag lounges of Batubelig Beach and watch the sunset.

Villa Senang is an oasis of tranquility and features four bedrooms. Multi-level swimming pools are the first thing you see upon entering the front gate, one 12 metres in length and the other six metres. For larger groups, Villa Senang can be rented with Villa Gembira next door to form [Villa Sembira](#) - a six bedroom villa with three swimming pools.

The four opulent bedrooms of Villa Senang are spread out over its 800 square meter garden. Two bedrooms are located in the main building and two separate bedrooms are housed in bungalows next to the smaller pool near the villa's entrance.

The first bedroom in the main house is adorned in sheaths of ivory and cream canopy netting which encloses a king size bed and bedside lamps. In one corner is a flat screen TV and in the other is the door through to the en-suite bathroom. Set in an outdoor garden, this bathroom boasts a standalone bathtub and a rain shower amidst stone pebbles and green flora.

The second bedroom in the main building is on the opposite side of the living and dining room. This relaxing bedroom features a plush king-size bed, mosquito canopies and a flat screen TV. This air-conditioned bedroom has views of the pool and the en-suite bathroom has a Jacuzzi bath tub and rain shower in a garden setting.

Bedroom three is located in its own poolside bungalow and is a spacious room that opens up to the front pool via double French doors. The bedroom is air-conditioned and furnished with a spacious king-size bed. The en-suite bathroom is also open to the air like the others, with trickling water fountains and a private shower to rinse off

under the sun or stars.

Directly opposite bedroom three is the fourth bedroom room. Also enjoying private sleeping quarters in a modern bungalow structure, this bedroom is almost identical in features to the third bedroom with air conditioning, mosquito netting, a TV and a king-size bed as well as an outdoor rain shower.

The living and dining areas are designed in an open concept plan and furnished with antique furniture and colourful cushions. Spacious and breezy, this living space gives guests a wonderful sense of living large and in style.
