Overview

Villa Povlac is a stylish glass house set in the heart of a peaceful pine forest in Basina Bay on the island of Hvar. The property is only a 5 minute drive from the town of Vrboska where guests will find boutique shops, bars and restaurants. This is the perfect spot for those wanting to get away from it all and spend quality time with friends and family.

The exceptional property spans an area of 600 square meters and boasts four luxurious en-suite rooms, accommodating up to eight guests comfortably in four king sized beds. The villa features a spacious dining area and an inviting living room, featuring a unique floating fireplace, providing an ideal setting for sharing memorable meals and relaxing moments with your loved ones. Additionally, modern amenities are readily available to ensure comfort and connectivity throughout your stay.

Step outside and embrace the natural beauty of the secluded, private beach, exclusively reserved for the villa's guests. Take a leisurely walk along the shore, feel the soft sand beneath your feet, or simply find the perfect spot to bask in the warm sunlight.

The interiors of Villa Povlac have been meticulously designed to cater to your every need, with every aspect of the house carefully furnished to evoke an atmosphere of indulgence and comfort. Immerse yourself in the beauty of the interior spaces and enjoy a truly remarkable stay.
