Overview

Perched high on a hilltop above the beautiful seaside village of Letojanni, Bellissima is a stunning Sicilian villa and the perfect place to spend your next holiday. The beach, bars, restaurants and boutiques are a short drive away and guests can also visit Taormina and Mount Etna easily.

Entering the villa on the ground floor, guests will find a bright and airy open plan living and dining area which overlooks the pool area and ocean beyond through floor to ceiling French doors. A fully equipped kitchen with modern appliances, including an induction hob and wine fridge, is the perfect place to cook the local produce found in the markets around the area.

For those wanting to maintain their fitness while on holiday, Bellissima boasts an excellent fitness area with several machines as well as a sauna. The gym overlooks the pool area and also has it's own bathroom.

The first ensuite double bedroom is also located on the ground floor while a second is located next to the pool area, separate to the main house. This is ideal for guests looking for a little more privacy.

The final two ensuite double bedrooms are located on the first floor and have sliding French doors that lead out to a terrace with jacuzzi and sun loungers.

The outdoor areas of Belissima really set it apart from other villas. Enjoy panoramic ocean views from the infinity pool which even features a hydromassage area for additional relaxation. An 'in pool' island is a great place to enjoy evening drinks, surrounded by water!

An outdoor dining table is the perfect place to enjoy alfresco meals and can be either shaded or sunny thanks to the electric awning. Food can be cooked in the modern kitchen or on the traditional wood burning bbq.

Finally, a first floor terrace with additional sun loungers is a great place to relax during the day and really soak in the views.
