Overview

Alkera is a new luxury 5 bedroom villa that sits on a hillside and offers sweeping views of Shoal Bay, one of Anguilla's most famous beaches. The villa pairs modern architecture, expansive indoor/outdoor living spaces and multiple lounging areas to fully appreciate your spectacular surroundings.

All five en-suite bedrooms offer ocean views and the pool deck and lounging areas offer total privacy in which to enjoy your Caribbean surroundings. A well equipped gym and heated infinity pool mean you can be as active or inactive as you choose. The 10,000 square foot property also offers generous open living and dining areas both indoor and out and is perfect for up to 10 guests.

Shoal Bay beach is just a 3 minute drive away, where you can enjoy beachfront cafes and bars and the famous Caribbean hospitality.

Your butler, housekeeper and option of private chef means that the personalised service of Alkera is the pinnacle of luxury for the most discerning guests.
