### Overview

Sundance is a lovely two-bedroom beachfront apartment in the heart of Barbados' 'Platinum' West Coast. Fully air-conditioned throughout, this spacious apartment has wonderful views of the turquoise Caribbean Sea from both the master bedroom and the open-plan living and dining areas, creating the perfect setting for a relaxed island stay.

Located in the exclusive Old Trees development on Paynes Bay, Sundance features marble floors, coral stone details, vaulted tray ceilings, and graceful archways. A large covered terrace is the perfect spot for outdoor dining or quiet afternoons in the shade and a private plunge pool offers a peaceful place to cool off just steps from the living space.

Set among lush tropical gardens, you also have access to a beautifully designed lagoon-style swimming pool within the grounds. Beyond the garden, Paynes Bay Beach stretches out in front, with soft white sand, sun loungers, umbrellas, and attentive beach service to ensure effortless days by the sea.

Known for its calm waters and regular turtle sightings, Paynes Bay is one of the West Coast's most popular beaches. The apartment is within easy walking distance of the iconic Sandy Lane Hotel and Beach and is ideally positioned close to the area's top restaurants, stylish boutiques, and vibrant nightlife, making Sundance an excellent choice for a beachfront escape with everything close at hand.
