### Overview

Salt Life at Claridges is a stylish, contemporary villa in the heart of the West Coast of Barbados. A short drive from both Holetown and Speightstown and a short walk to Gibbes beach, this is the perfect base to explore everything that Barbados has to offer.

The two story villa boasts a luxury interior. On the ground floor you will find a fully equipped kitchen and a tastefully appointed open plan living and dining area. The living room opens out onto a beautiful covered terrace where you can relax during the day, and a large outdoor dining table for al fresco dinners. One of the bedrooms is also located on the ground floor as well as a den/office.

Two more bedrooms are on the first floor, all have king sized beds, walk in wardrobes and are ensuite. Enjoy the lush garden views from private balconies.

Claridges resort is a boutique property with just 10 luxury villas. They are set around the large central pool with waterfalls, sun loungers and a gazebo. Enjoy cocktails with friends or family while watching the beautiful Bajan sunset.

Salt Life at Claridges is only a short stroll from the beautiful Gibbes Beach and Mullins Beach. For those wanting high end luxury shopping and restaurants then Hometown is a short drive down the coast . We also recommend visiting the quirky Speightstown to the north.

Swimming pool is communal.
