Overview

Harmony House is a luxurious beachfront villa located on the beautiful Gibbes Beach, on the west coast of Barbados. Renowned for its stunning architectural design and tranquil atmosphere, the property offers a perfect blend of traditional Caribbean charm and modern amenities. Both Speightstown and Holetown are just a 10 minute drive away, where guests will find luxury shopping and high end restaurants.

Upon entering the villa, guests will notice the elegantly furnished lounge that opens through double French doors onto a covered patio area. This outdoor space includes a built-in bar, a plunge pool, and a dining area that seats up to 10 guests, featuring a stunning custom-designed sculptural mirror. In the evening, the patio transforms into a magical oasis, illuminated by handmade copper lanterns and specially designed candle sconces, creating an ideal atmosphere for entertaining and relaxing with friends.

The villa features three air-conditioned en suite bedrooms. The master suite and a second bedroom are located on the first floor, while the third bedroom is situated on the ground floor. Each bedroom opens onto a private balcony, offering an ideal space for enjoying a morning coffee or reading a book in the peace and quiet. The rooms are accented with vibrant tropical colours, highlighted by local art that complements the coral stone walls beautifully. The master bedroom and the second upstairs bathroom both include well-appointed bathrooms with outdoor showers, while the downstairs bathroom also features a shower. An additional powder room is located on the ground floor.

Outside, Harmony House boasts a private plunge pool, a lush garden, and direct access to Gibbes beach, making it an ideal retreat for sunbathing, swimming, or enjoying the sunset.
