Overview

Tom Tom (4 bed) is a well-appointed four-bedroom luxury vacation rental located in Westmoreland St. James, overlooking the exclusive West Coast of Barbados. The large wooden front door of the villa leads to an exquisite interior of natural coral stone walls and wooden floors, furnished with beautiful custom-made furniture imported directly from Indonesia and Bali with Caribbean influences.

The spacious formal living room features handmade Balinese stone carvings and opens up to an outdoor terrace complete with a large infinity-edge pool and uninterrupted views of the Caribbean Sea. When lit up at night, Tom Tom's pool deck transforms into a magical private setting, perfect for an evening of cocktails, a midnight swim, or stargazing. The open-plan, well-equipped kitchen flows through to the dining area situated on the terrace and offers alfresco dining with wonderful views. There is also a barbeque grill on the terrace for more casual culinary moments!

The master bedroom is upstairs and has floor-to-ceiling windows, providing stunning views of the Caribbean Sea and Barbados' West Coast. The other luxurious bedrooms are on the ground floor; all offer privacy and relaxation

with high degrees of comfort and spaciousness. Two of the suites feature four-poster beds and their own outdoor tub in a tropical courtyard that creates a spa-like atmosphere.

Hidden away from the main living area is the cosy media room, where you can curl up with a good book or watch your favourite movie in air-conditioned comfort. Recent additions to the property include the extension of two new 'treehouse gazebos' on either side of the deck, providing further options for privacy, al fresco dinners, or entertainment. The gazebos seem to be almost reaching outwards to the surrounding tropical gardens and glistening coastline as if chasing the sunset—a truly magical addition to this stunning villa.

Holetown is a five-minute drive away from the villa and offers excellent duty-free shopping at Limegrove, as well as being in close proximity to the many excellent restaurants offering both international and local cuisine. Also nearby is the renowned Royal Westmoreland golf course, which can be booked through Blue Sky Luxury's concierge team. Tom Tom enjoys privileged access to the Fairmont Royal Pavilion beach facility, where guests may use the sun loungers, beach umbrellas, and food and beverage facilities within the resort.

The staff are highly rated by previous guests and enjoy creating a special experience to match the setting of this stunning holiday home.
