Overview

Villa Saphir is the perfect place for your next tropical holiday in Mauritius. Located on the edge of the lagoon, this six bedroom villa offers direct access to soft, powdery sand just steps from its large, tree-shaded garden. This refined retreat embodies contemporary elegance, elevated by handpicked décor and furnishings sourced from around the world.

Each of the six bedrooms has an en-suite bathroom, and four also feature breathtaking lagoon views. Every space has been thoughtfully designed to combine comfort, privacy, and a seamless connection to nature. Expansive terraces overlook the turquoise sea and a private pool is the perfect spot for you to relax, unwind, and savour the beauty of the Mauritian coastline.

For families travelling with children aged 3 to 12, an in-villa children's animator can be arranged (upon request and subject to availability), offering engaging, adventure-filled, and educational activities tailored to the curious minds of our little explorers.

Thanks to privileged partnerships with nearby hotels such as Constance hotels, Long Beach and One&Only Le Saint Géran, guests staying at Villa Saphir can enjoy the best of both worlds: the privacy of a villa combined with exclusive access to hotel restaurants, golf courses, bars, and spas (subject to availability).
