

ALEGRIA Mykonos

Perched above the sparkling Aegean Sea, ALEGRIA offers the ultimate group escape in Mykonos.

Overview

Perched above the sparkling Aegean Sea, ALEGRIA Estate offers the ultimate group escape in Mykonos. With 14 stylish en-suite bedrooms spread across four buildings, this expansive estate is perfect for large families, celebrations, retreats, or groups of friends wanting to enjoy the island in comfort and complete privacy.

The estate blends sleek Cycladic architecture with laid-back luxury, with whitewashed walls, clean lines, and earthy textures. Inside, the rooms are bright, elegant, and air-conditioned, each with its own en-suite, ensuring every guest has their own private space to unwind.

Outside, the estate is all about enjoying the view. A large infinity pool and three heated plunge pools/jacuzzis overlook the sea, surrounded by sun loungers, shaded pergolas, and breezy dining areas that are perfect for long lunches or sunset dinners. There are multiple chill-out zones, bars, and BBQ areas, so there is always a new corner to explore or relax in.

The estate boasts a fully equipped professional kitchen and dining space in each villa, ideal for in-villa catering or private chef experiences. And for those looking for wellness activities, there is a well equipped gym, along with a spa with sauna, steam bath and infrared technology, along with a dedicated area for yoga or personal training.

Though it feels wonderfully secluded, ALEGRIA Mykonos is just a short drive from the heart of Mykonos Town, the island's buzzing beach clubs, and the iconic beaches of Psarou and Paraga.

Spacious, stylish, and made for memorable group stays, ALEGRIA is the kind of place that makes Mykonos feel like your own private island.
