Casa Dikti is located in Agia Sofia, an area known to be nicely sheltered from the wind in Mykonos. The property is the epitome of Greek island elegance. Hosting up to 9 guests, surrounded by a well-groomed garden and overlooking the glistening sea, this villa affords its guests with a private and serene setting.

The exterior is designed in a fusion of styles and combines quintessential Cycladic architecture with rustic details. Refined and graceful, this property is inspired by Mykonian style and uses organic materials such as stone and wood to enhance the feeling of purity. The outdoor areas are designed to promote calm and relaxation, while the lounge spaces and shaded dining area are ideal for entertaining friends or unwinding with a glass of wine. Take a refreshing dip in the pool before relishing the sunset from one of the comfortable sunbeds.

The stunning interiors combine traditional elements with contemporary design; neutral colours are accentuated with warm beige, and hints of blue to complete the authentic Greek island feel. There are 5 stylishly furnished bedrooms fully equipped with modern amenities and decorated to promote a relaxing ambience. Four bedrooms have double beds (one can be converted to twin) and ensuite bathrooms. The fifth bedroom has a single bed
