Overview

Situated in a quiet cul-de-sac adjacent to the historic St. James Church yet minutes away from popular Holetown, this charming 3-bedroom beachfront villa is the perfect hideaway here on the gorgeous West Coast of Barbados.

Palms and other exotic fauna frame the entrance, which opens up into a spacious dining room and leads directly to the sunken open-plan living area. A smaller breakfast area and newly installed bar expand the room and make it ideal for entertaining, while large french doors open out onto a cool clay tile-covered terrace and the lovely landscaped gardens beyond.

The two bedrooms in the main bungalow-style house are accessed from a cosy wooden stairway and are both bright, with lovely wooden vaulted ceilings, A/C, and lots of closet space. Large doors open to a joint balcony that overlooks the lush tropical garden and Caribbean Sea. The property is offered fully furnished and has been decorated with a blend of West Indian art mixed with traditional and modern furniture.

A separate guest cottage is accessible from the main patio (though it also has private access through the gardens at the side of the property) and features a studio bedroom, a small kitchenette, a bar, and living and dining space, as well as its own private patio.

A small garden pathway leads directly onto the beach. The famous Folkestone Marine Park, located on the west coast of Barbados, is a short walk along the new boardwalk to the south and features plenty of opportunity for snorkelling, while directly in front is a small bay ideal for morning dips or just a great spot to watch the sun go down.

This lovely beachfront property offers quiet privacy and yet is only minutes from top Barbados attractions, including five-star dining, shopping, nightlife, the popular Limegrove Centre, and other amenities of Holetown.
