Overview

Villa Balinese at Casa de Campo is a two-story villa located within an exclusive gated community.

Upon entry, guests will be impressed by the wide-open spaces floored in gorgeous sandy marble, accented by the turquoise of an interior pool spanned by stepping stones. Two floors above, a large skylight shines on a tall wall of cascading water.

To the right of the entrance is a fully furnished drawing room offering a more intimate gathering space or for the exclusive use of teens and kids. A few steps beyond is the formal living room where a large table is surrounded by sofas and chairs upholstered in an elegant combination of neutral tones. To one side is a grouping of tables for casual dining or table games, and the entire setting is rimmed by glass doors that reveal the beauties of the outdoor scenery.

The air-conditioned formal dining room seats ten, while the adjacent kitchen is a cook’s delight with top-end appliances, including an automatic dishwasher, make kitchen duties a breeze and a bar with stools.

Outside the main living quarters, there are endless options for entertainment. The immense pool, trimmed in cobalt blue tile, runs around an island of tall palms. A large whirlpool, warmed by solar panels, is located at the far end, and planked wood decking forms a wide terrace where chaise lounges are available for sunning.

A free-standing pool-side cabana is fully furnished for shaded relaxation and alfresco dining by day or night. Across the pool, an air-conditioned family room is equipped with a full-sized billiard table and sofas facing a plasma television.

Each of the five bedroom is individually decorated, all with soothing color schemes, cuddly linens, air-conditioning, and plenty of closet space. Each bath is lined in marble and includes a glass-enclosed shower. The master suite includes extra amenities such as a private terrace and double vanity.

Casa de Campo has a wide range of amenities to cater for all types of clientele. There is a range of dining options and 3 golf courses located at the estate - Teeth of the Dog, The Links and Dye Fore. Please check for scheduled maintenance of the golf courses.

Teeth of the Dog has 7 holes bordering the Caribbean Sea and is a world-renowned course designed by Pete Dye and has been ranked previously and the number one golf course in the Caribbean.
