### Overview

Villa Vie is a contemporary six-bedroom villa perched high in the lush hills of Koh Samui, offering sweeping views of the island and the sea beyond.

Designed across five levels to maximise privacy and space, the villa's modern architecture features high ceilings and large glass doors that frame the views from every room. Art and design take centre stage here sculptural accents, striking paintings, and curated photography lend the interiors a gallery-like sophistication, while modern furnishings in warm, textured finishes add comfort and character.

Each of the six ensuite bedrooms features a king-size bed and floor-to-ceiling windows that open to calming sea or garden views. The layout allows families and groups of friends to enjoy time together while still retreating to their own private spaces.

The villa has plenty of entertainment and activity options. The private cinema offers a cosy space for family film nights, while the games room, complete with a pool table and table football, is perfect for casual evenings in. A well-equipped gym and tranquil spa corner invite guests to balance fitness and wellness, whether through a workout or a rejuvenating in-villa massage.

Outdoors, sun-drenched terraces and an infinity pool overlook the coastline, creating an ideal setting for cocktails, alfresco dining, or simply soaking up the mountain breeze.

Nestled within an exclusive hilltop estate, Villa Vie promises privacy and serenity, yet it's just a 10-minute drive from the restaurants, shopping, and nightlife of Chaweng.
