Overview

La Mer is a lovely three bedroom villa located in the prestigious Cap Estate and you will soon feel relaxed thanks to it's charming features. As you enter La Mer, you will be greeted by the beautiful ocean views.

To the left as you enter is a fully equipped kitchen with modern appliances. Go down a few stairs to relax in the lower level living room, but why watch TV when you can walk out to the pool and enjoy the scene on the large deck, with plenty of room to lounge and enjoy the serene scene around you.

There are two bedrooms in the main house, both with ensuite bathrooms. The master has a king-sized bed and the second bedroom features twin beds that can be configured as a king. The third bedroom is detached and referred to as Coconut Cottage and is a few yards away from the main house. It has a king-sized bed, and its own bathroom where you can take in the outside scene while you have a relaxing shower.

There is a housekeeper who can also cook your meals, her hours are 8.30am to 3.30pm, six days a week. There is a gardener once a week and a pool man who comes by twice weekly.

If you do want to venture out, then it is only a 10 minute walk to the popular Anse Du Cap Beach.
