Overview

Westshore Beach House is a beautiful four bedroom home located in a prime position on the west coast of Barbados. With chic and luxurious furnishings, this villa is sure to please the most discerning clientele.

Boasting breathtaking sea views, plunge pool and an exquisite sun deck with stone steps leading to a beautiful secluded beach, this is a great choice for a small family or friends looking for a beachfront retreat.

Westshore Beach House has 4 bedrooms, each with en suite bathrooms. A master bedroom and king size bedroom are located on the upper level, with a further master bedroom and king size bedroom on the ground floor. The king size bedroom on the ground floor can be configured as twin beds. The ensuite bathrooms of both master bedrooms each feature a shower and separate bathtub along with double basins. The other 2 ensuite bathrooms feature shower and single basin.

Also on the upper level is a living area with TV, DVD player and a selection of DVD's. The Living Room and Dining/Kitchen area also have Bose Bluetooth Music Players with Internet Radio and CD facility. The living area opens up to a balcony furnished with 2 sun loungers, sofa and 2 chairs with coffee table - perfect to enjoy the magnificent views of the beach, Caribbean Sea and the sunset.

On the lower level is a fully fitted kitchen with granite worktops, Kettle, toaster ,filter coffee machine, large American fridge with ice maker, dishwasher, hob and oven. The indoor dining area can comfortably seat 10 guests. The dining area leads out to the pool deck which is also furnished with comfortable sun loungers and where you can access the beach directly. There is a small pool, perfect for cooling off in.

Evenings can be spent indoors watching a film, or out on the pool deck enjoying the sound of the gentle Caribbean Sea. Or you may want to dine out as Barbados has a vast range of restaurants to choose from.

Please note: The beach experiences seasonal fluctuations in its accessibility.
