Overview

Villa Arte is an artistic five bedroom villa nestled within a large tropical garden in the heart of Seminyak. The property is tucked away in a peaceful residential neighbourhood just behind Seminyak's main street yet only minutes from the boutique shops, restaurants, bars and the beach.

Villa Arte has a master bedroom, guest bedrooms and an independent studio bedroom and can comfortably accommodate up to 10 guests.

The master suite is located on the left hand side of the pool deck. Boasting a king-size bed, shear mosquito-netting and air conditioning, this room is just steps from the pool's edge, perfect for a late night swim or an early morning dive. Amenities include a flat screen TV, DVD player and a separate office space with books and DVD's. The en-suite bathroom is styled in brick red hues and is complete with an outdoor rain shower.

The second bedroom is located next to the master suite and also has easy access to the swimming pool. The third bedroom enjoys its own living quarters in a private studio set-up. Both rooms feature air-conditioning, king-size beds and tropical open-air en-suites.

Upon entering the villa, you will find yourself in a tropical open-plan living pavilion that looks out to the lovely lush green garden and giving direct access to the pool. This living area has high vaulted ceilings and has been tastefully decorated. You can relax on the comfortable built-in sofa furnished with plush red pillows and enjoy the garden views. Dining can be enjoyed on a large teak dining table on an elevated platform. On the other side of the pavilion there is a cosy TV lounge to watch movies on a lazy in-villa evening.

Villa Arte has a beautifully landscaped tropical garden with a swimming pool and sun loungers. The large manicured lawn has both sunny and shaded areas, perfect for the kids to run around or kick a ball and also great for garden parties with homemade cocktails and fresh food from the BBQ.

This is the perfect retreat for those looking for a tranquil location yet close to all the amenities Seminyak has to offer.
