Overview

Tom Tom Barbados is one of the more contemporary styled villas, designed by London architect, Harper Downie. Located close to the Royal Westmoreland golf course and 5 minutes from Holetown, this five-bedroom villa boasts lovely views of the ocean.

As you enter through the large wooden front door an exquisite interior of natural coral stonewalls, wooden floors, and beautiful custom made Balinese furniture greets you.

The spacious living room features handmade Asian stone carvings and opens up to an outdoor terrace offering alfresco dining with wonderful views. Hidden away, off the main living area, is a cosy media room where you can curl up with a good book or watch your favourite movie in air-conditioned comfort.

The terrace leads out to the large infinity-edge pool with uninterrupted views of the Caribbean Sea. When lit up at night Tom Tom's pool deck transforms into a magical private setting perfect for an evening of cocktails, a midnight swim or stargazing. There is also a barbeque grill on the terrace for more casual culinary moments.

Four of the luxurious bedrooms are on the ground floor and all offer privacy, comfort and spaciousness. Two feature four-poster beds and an outdoor tub in a tropical courtyard that creates a spa-like atmosphere. The third downstairs bedroom has a courtyard and twin beds.

The Master bedroom is located upstairs and has floor-to-ceiling windows to show off the stunning views of Barbados' west coast.

The staff are highly rated by previous guests and enjoy creating a special experience to match the setting of this stunning holiday home. Children are welcome with adult supervision.
