Overview

Casa Luca is a beautiful nine bedroom beachfront villa located in the exclusive gated community of Los Monteros, just a short drive or taxi ride away from the centre of Marbella. The epitome of style and opulence, this villa offers everything you could wish for in a luxury Spanish getaway.

Entering the property on the ground floor you will find a large, open plan living and dining room featuring a grand piano and plush furnishings. The double height room boasts beamed wooden ceilings and a large open fireplace. A professional kitchen is the perfect place for a private chef to prepare delicious meals with local produce that can be enjoyed either inside or on the covered outdoor dining terrace.

The ground floor also features a spa area with an indoor pool (with a roof that opens in the summer), sauna and steam room and a treatment room. A gym and cinema room are also available for guests enjoyment.

The master bedroom is located on the ground floor and has its own living area. The other guest suites as well as a two bedroom staff apartment are situated around a traditional Andalusian patio. In the heart of the building you will find a very special suite built into the ancient beachside water tower. This room has access to the large rooftop terrace with fabulous sea views.

The theme of opulence is continued through the outdoor areas of Casa Luca with two spectacular pools to enjoy, as well as a beautiful Balinese themed tropical garden and thatched gazebo. The garden area leads down to one
