

Villa Flower

Overview

Villa Flower is a super luxury home located in Galley Bay Heights in Antigua, about a 20 minute drive from the airport and about 10 minutes drive from the capital, St. Johns. The villa sits on a waterfront hillside facing west with breathtaking views and daily sunsets.

Villa Flower has been furnished and designed to the highest standard and has 7 ultra-luxurious bedroom suites, each with en-suite bathrooms. All the bedrooms are spacious and airy with closet space, ceiling fans and are air-conditioned.

You can relax on the comfortable sofas in the large central living room which is complete with bar and louvered windows so you can enjoy the spectacular views even while indoors. The villa has a 42" flat screen TV and Bose surround system.

The villa has been designed to provide spacious outdoor living spaces with a series of wooden decks and linked balustrades connecting guest rooms, terraces with relaxing sun loungers, dining areas, lounging areas and the pool and Jacuzzi. There is also a pool bar.

Days can be spent enjoying the Caribbean sun whilst lounging on one of the comfortable sun loungers that surround the pool or you may opt to take a stroll down to the quiet sandy beach below, which is set daily with sun loungers and towels.

Other amenities include a fully equipped kitchen and a fitness room equipped with state of the art equipment.

This beautiful luxury villa also offers you the use of a power catamaran with captain. Fuel and consumables are excluded.

Villa Flower sits within a fenced property and there is a 24hr/day attended guard house to access entry to the property.

Please note: No children under 12 allowed. Villa Flower can be rented with its sister property [Villa Serena Antigua](#) for a total of 12 bedrooms.
