## Overview

Villa Visok offers the unforgettable opportunity to stay in a converted three-hundred-year-old castle by the sea. With seven bespoke suites sleeping up to twenty guests, mesmerising sea views, and unrivalled facilities, this is a luxury villa unlike any other.

The design carefully conserves the historic architecture and period features, while providing utmost comfort through high-quality bespoke furnishings and luxury amenities. Occupying more than 1500 square metres of space, this remarkable villa property is extremely spacious, with each suite offering a unique character and experience. The villa's most notable interior feature is an authentic private restaurant, with eighty seats indoors and a further one hundred and twenty outside. A nearby wine cellar and meeting room facility provide the added potential for events. There's also a remarkable, historic living room, complete with double-height beamed ceilings, a sumptuous lounge seating area, and an intimate dining space.

When it comes to relaxing, the villa's serene wellness area, complete with Hamman, sauna, and spa treatment service is the perfect place to go. Or instead head to the sunny and secluded courtyard where you can take a cooling dip in the resort-size swimming pool, and dry off in style on one of the sun loungers. Watched over by the property's beautiful castle tower, this space is an excellent place to relax with friends or family in the comfort of your own privacy.  Close to the villa, a state-of-the-art marina has been constructed and offers mooring for yachts up to thirty-five metres in length should you wish to hire a boat or arrive by sea.

### Accommodation

Villa Visok offers seven suites, capable of sleeping up to twenty guests. Each room has been hand-designed with a unique concept and will offer sea views, an en-suite bathroom, satellite TV, minibar, safe and a telephone. Six bedrooms are double bedrooms sleeping two guests, while an additional room is a family suite capable of

sleeping, four guests. Four additional beds can be arranged for larger groups.
