Overview

Villa Verano is a stunning residence perched on a rocky mountainside, surrounded by olive trees and with incredible views out over Ipsos Bay, Cofu Town and beyond.

The property is ideal for a large family or group of friends who are looking to escape the hustle and bustle of daily life. All six comfortable bedrooms are ensuite and offer beautiful views of the mountains and ocean. Four bedrooms are located on the ground level and two are on the lower garden level. Four of the rooms can be made into twin bedding depending on your needs. A lift has been installed to give wheelchair users full access to the whole property as well as a bathroom designed with wheelchairs in mind.

A comfortable living area with wall to wall glass windows means that even when you are inside you can enjoy the incredible views this location has to offer. An indoor dining room can seat up to 12 but if outdoor dining is more your style then you can enjoy your meals on the beautiful terrace overlooking the pool area.

Spend your days relaxing by the 25m infinity pool and the jacuzzi that can fit up to ten people. There are plenty of sun loungers and parasols for the whole family.

If you want to explore the local area then visiting the village of Spartilas is a must. Known as 'the window of Cofu', this charming village is reached by winding your way up the narrow Pantokrator mountain roads. Take in the charm of the traditional houses as well as the stunning views out over the nearby bays and Corfu Town. If the beach is more your scene then simply head down the hill to the resort area of Barbati.
