Overview

Villa Dante 1 is an impressive year-round luxury villa that sits on a plot of thirty acres with dramatic views towards Alcudia Bay and the Tramuntana Mountains. Grounds include an incredible ecological wine estate. Offering the best of style, modernity and comfort, this well-featured villa is one of the finest in the region.

Designed in a traditional Majorcan style on the outside, the villa is surprisingly modern inside, with a light and airy Portuguese-influenced colour scheme, enhanced with signature art pieces and vibrant tones. Entering the villa, you'll discover the stylish living room with inviting sofas, a cosy reading corner with seating, and access to the panoramic terrace. Close by, the modern kitchen and dining room is an open-plan space with a dining table, breakfast bar and upscale amenities. Downstairs, a cinema with projector provides the perfect space for rainy days. In the winter months, the indoor heated floors will help keep you comfortable.
