Overview

Sunsara is a beautifully decorated 4 bedroom villa tucked within lush tropical gardens on Grace Bay, reached by a sweeping curved driveway that sets the tone for a relaxed island escape.

Just a few steps from the main house and beachfront sundeck, you'll find soft golden sand and the calm, turquoise waters that make Grace Bay so special. It is perfect for swimming, snorkelling, or a gentle paddle in a kayak.

Inside, the villa is light and refreshing, with classic dark wood pieces paired against white walls and turquoise accents to create a calm, coastal feel. The master bedroom features a king bed with ensuite bathroom and ocean views. The additional three bedrooms all have ensuite bathrooms, with two having queen beds and one with two twin beds that can be converted to a king. Outdoors, a private terrace offers everything you need for easy island living, with a pool, poolside bar, and barbecue area that's made for long, lazy lunches and sundowners as the sky turns pink.

Sunsara is all about relaxation and comfort, but its greatest luxury is the setting itself, a peaceful beachfront

location on one of the most beautiful stretches of sand in the Caribbean.
