Overview

Panorama Summit is a magnificent 5 bedroom hilltop villa and boasts 180 degree panorama vistas of both sunrise and sunset. Enjoy the sunrise over Choeng Mon Bay or relax in the evening with a cocktail and watch the sun set.

Panorama Summit is an expansive property and is an excellent example of modern tropical architecture blended with South East Asian art spread over two floors.

The villa has five spacious bedrooms, each with floor to ceiling sliding glass doors and plenty of storage space, ceiling fans and each is air-conditioned and also has a sitting area. The two master bedrooms have en-suite bathrooms, tropical wooden floors, and private terraces with table and chairs - both have a south-facing terrace, whilst the first master bedroom also has a second north-facing terrace. There are also two twin en-suite Guest Rooms, and a spacious fifth bedroom tucked into the far western section, leading straight out on to the pool area.

The open plan 100sqm combined lounge, dining and kitchen area is the social heart of the villa and has Javanese stone flooring and large sliding doors that open up two full sides; allowing for free movement between the outside sun deck and the fan cooled interior. This level also has awell- equipped TV room, with a large built-in sofa, scatter cushions, and is air conditioned.

The outdoor spaces provide perfect opportunities to relax. The upper floor has an 107sqm terrace that wraps around the front of the villa. There is a guest bathroom, with shower, just off the terrace, and all terraces are edged with white bougainvillea. There are also plenty of sun loungers beside the pool, and if it gets a bit hot there is a shaded relaxation area with comfortable seating, overhead fans, a coffee table and a ping pong table.

You have the option to dine inside or al fresco. The outdoor dining area is located by the pool terrace and enjoys spectacular views. Days can be spent relaxing on one of the comfy sun loungers around the infinity edge

swimming pool. If you decide to venture out of Panorama Summit, you are just a few minutes drive from the surrounding beaches, restaurants and bars. The villa is only 10 minutes from the airport and 10 minutes from Chaweng and Fisherman's Village.
