

Anchorage Sandy Lane

Overview

Anchorage Sandy Lane is a single story three bedroom villa nestled in an acre of landscaped gardens in the prestigious Sandy Lane Estate.

Anchorage Sandy Lane is located close to the private Property Owners Beach. The villa is bright and airy and has excellent quality furnishings throughout. The house is fully alarmed which is linked to a 24 hour monitoring station.

The villa has three bedrooms, all of which are fully air-conditioned. The large master bedroom features a king sized bed, with double basin en suite bathroom with large shower. The second and third bedrooms offer twin beds, which can be configured as king beds. There is a bathroom with bath/shower opposite. The Third Bedroom has its own en suite bathroom with bath/shower.

The spacious vaulted Living Room blends old Barbados mahogany furniture & coral stone with the more modern bamboo. The security louver shutters, which open fully on the North & South sides, give the room the feeling of total openness as either way the view is of the luscious gardens. The marble dining table seats twelve and is ideal for formal entertaining.

As well as a living room, Anchorage Sandy Lane has a small TV room off the Living Room which can also be used as an Office as it has a fax/printer and a Broadband connection.

The large, covered outdoor patio overlooks the pool and it is where most guests relax when not by the pool enjoying the Barbados sun. At one end there is a dining area with a wrought iron table that comfortably seats six, and is ideal for breakfast, lunch and informal dining in the evenings. At the other end is comfortable informal seating for eight and is the perfect setting for reading your novel out of the sun during the day and the ideal meeting place for drinks prior to meals.

Anchorage has a permanent Housekeeper who is an excellent cook and who will take care of your every need six days a week. She will prepare breakfast and a light lunch (other meals by arrangement) as well as taking care of all the laundry including personal items.

Less than five minutes walk or two minutes drive away from Anchorage is one of the best beaches in Barbados and this is where the Sandy Lane Property Owners Private Beach Facility is located immediately adjacent to the famous Sandy Lane Hotel. Here there is a small private Cabana, which houses a fridge for cold drinks and six beach loungers & four chairs. There are outdoor showers as well as toilet facilities. The Sandy Lane Hotel water sports facility is adjacent should you wish to water-ski or sail.
